

Transfer Test analysis - September 2021 entry

Spring update

This data is presented with the permission of The Buckinghamshire Grammar Schools.

Notes

Table includes all pupils that registered for a transfer test and obtained a mark.

Pupils are automatically registered for the transfer test if they attend a Buckinghamshire maintained Primary school (opt out). They can withdraw from the test by notifying their school in writing. Parents of pupils going to all other schools are required to register for the transfer test if they wish their child to participate (opt in).

The overall qualification mark is 121.

The final test marks for the 2021 entry are standardised according to methodology

Resident LA is derived from the Easting and Northing coordinates in the raw data.

'Post review qualifiers' is the total pupils who have qualified after a successful selection review.

'Total Qualified' is the number of pupils that have qualified for a grammar place, including successful selection review pupils

'Registered for test' means the pupil has sat the Transfer test.

'Overall Cohort' means the total number of pupils in the respective Capita ONE report including those that did not sit the Transfer Test.

Cells with fewer than 5 pupils are shows as '<5'

All Pupils	September 2021 entry				Raw data base date - 01/03/2021			
	121+	Post review qualifiers	Total qualified	Registered for test	% of cohort tested	Automatic qualification ¹	Post review qualification ²	Overall Cohort

¹Automatic qualification is calculated by dividing the number of number of pupils achieving 121+ only (not including selection reviews) by the total pupils that registered for the test.

²Post review qualification is calculated by dividing the number of total qualifiers (including selection reviews) by the total pupils that registered for the test
